

# Join us for a QTAC WEBINAR

## Overview of the 2021 ATAR Report and Scaling

QTAC is pleased to be able to offer schools the following free professional development opportunity to learn more about the ATAR and the 2021 ATAR Report.

### The presentation

This free, one hour webinar will provide an overview of the 2021 ATAR Report and scaling to assist school leaders, guidance officers and teachers in understanding the ATAR Report and to be able to answer questions from students, staff and parents.

The presentation will cover the various technical explanations and terminology used in the ATAR Report, along with examples to illustrate some of the most common questions being asked. Prior to the session, registered participants will have the opportunity to submit questions for our ATAR specialists.

A copy of the resources used in the presentation will be made available to registered participants.
